FYI—There's a question here regarding the Lead and Copper Reporting form for Flint. I know you said that most of the CWSs were submitting this form, even though there was a disinvestment thru FY 2015. I'm pretty sure Flint submitted that form. Do you have a record on that? If not, don't search for it. I can ask Steve/Mike/Adam at a later date, if management starts asking. Just thought since I was writing you an email, I'd ask.

Thanks! Jen
